COMMUNICATIONS STATEMENT – EASTRY SURGERY - 3RD OCTOBER 2018

Future plans for your GP practice

The proposal to close Eastry Surgery, which is a branch practice of Market Place Surgery in Sandwich, has been approved by NHS Canterbury and Coastal Clinical Commissioning Group (CCG).

While this may be disappointing news for some patients, the doctors and staff at Market Place Surgery will be using this as an opportunity to provide additional services for our patients and to create a bright, long-term future for the practice.

There will be a planned transition from now until Eastry Surgery closes on 31 March 2019. Patients do not need to take any action and we will keep you updated during this process.

The CCG, which commissions the majority of NHS services in our area, will support us throughout this period.

This move will allow our planned merger with The Butchery Surgery in Sandwich to be formalised.

This will bring opportunities to develop additional services and provide a sustainable, resilient medical practice for the residents of Sandwich, Eastry and the surrounding villages.

If you have any questions, please do not hesitate to contact Carol Bore, Practice Manager. Please email edn.g82063@nhs.net
