2) PLANNING

a) Applications

i. DOV/07/00932

Proposal: Erection of single storey extension to link existing buildings together with single storey rear and side extension

Location: Eastry House, High Street, Eastry

No objections were raised to this application

ii. DOV/07/00910

Proposal: Change of use and conversion of bakery to 2 no bedroom dwelling and stores to detached garage

Location: The Old Bakery, High Street, Eastry

The committee strongly objected to this application. The building is situated in the conservation area and the conversion to a dwelling would be totally inappropriate. The structure has a flat roof and although it was acceptable as a bakery/work place it would not be acceptable as a dwelling.
